

Continuity Care's COVID-19 Response Plan - November 12, 2020

We hope that you and your family members are staying safe, healthy and connected during these challenging and stressful times related to the COVID-19 pandemic.

We want to provide an update in response to Tuesday's news release by the Manitoba government and Public Health officials where they announced that the entire province of Manitoba is moving into the red, or critical, level of the pandemic response system effective today.

As we are considered a non-essential business under the Public Health Order, we will be closing our office for the next two weeks or until the restrictions under this Order are lifted. Our staff will all be working from home but please be assured that we are still available to provide assistance, support and respond to your inquiries by phone, email and through virtual meetings, using Zoom. Chanique will be continuing to reach out to members – lifetime and annual – to check in and see how you are doing and assist if help is needed. We have access to many resources that may help you and your family during these stressful and difficult days.

Our workshops, parent and sibling groups and sharing circle meetings will continue to be offered virtually using Zoom and by teleconference. In person events, including the Baby Boomer Café, will be on hold until we are permitted to host in person gatherings again. We know how important it is to stay connected with others, therefore, we will continue to do what we can to offer opportunities for our members.

Please watch for emails about “What’s Happening at Continuity Care” that include information about upcoming events. Information is also posted on our website, Facebook and Twitter pages.

We encourage you to stay informed and healthy during these uncertain and quickly evolving times. Please reach out to us if you need anything. We are here to help! You can leave a message on our office phone at (204)779-1679 or send an email at info@continuitycare.ca. To reach our staff directly, please try these options:

Suzanne – new cell number (204) 979-4024 or email suzanne@continuitycare.ca

Chanique – (204) 979-6967 or email chanique@continuitycare.ca

Patti – email her at patti@continuitycare.ca

We look forward to when we can see you all again. Until then, take care of yourselves as you take care of your loved ones.

Suzanne Swanton
Executive Director

Continuity
Care Inc.

Support. Planning. Peace of mind.
