Who's Who: Roles & Responsibilities of Service Providers

*Presented by: Suzanne Swanton, Executive Director &
Chanique Phillips, Member Services & Outreach Facilitator*

This informative workshop will welcome guest speakers to talk about their role as service providers and what their responsibilities are to you and your family member. We know that families have multiple workers from different agencies and it can be confusing and frustrating at times not knowing who to turn to and which worker should be contacted when various issues and concerns arise. This workshop will aim to provide more clarity and help you feel more confident reaching out to your service providers for support.
