New Parent Group

*Facilitated by: Suzanne Swanton, Executive Director &
Jayda Taylor, Member Support & Outreach Facilitator*

This new group has formed out of a common experience of some members who have a young adult or adult child living with Autism and other co-occurring diagnoses, who are not eligible for CLdS and other adult services. They are falling through the cracks in the system. We are facilitating this new group with the purpose to help families connect with each other, share experiences, identify common needs and strategize about what steps need to be taken to develop new services and supports.
